for positive change.**

OUR NEW INITIATIVE: ECS-NJ

ECS-NJ was born out of an urgent need in our diocese. COVID-19 made the need for ECS-NJ even clearer.

ECS-NJ focuses on proactively addressing human needs and relentlessly working against both social and racial injustice.

ECS-NJ was formed in 2020 with a guiding Advisory Council with people from across the diocese to bring this dream to life.

WHAT WE DO

We raise funds across the diocese.

We give grants where most needed.

We network and make connections.

We advocate for change.

**WE ARE
STRONGER,
TOGETHER.**

OUR COMMITMENT

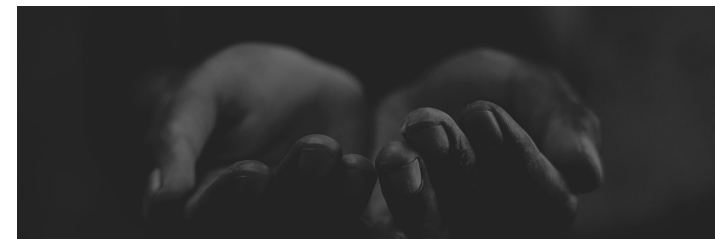

Expand our ability to meet critical human needs in the cities, towns and villages our congregations serve, while advocating for meaningful systemic change.

THE TIME IS NOW

The most vulnerable have been hit the hardest during the pandemic

About **78,000** renters (or 33% of all renters) are considered "very likely" to leave their homes because of evictions in the next two months.

1.2+million people are food insecure in NJ and nearly **400,000** of them are children.
